Gentlemen:

As provided under the Sales and/or Use Tax laws of the state, all sales are presumed to be taxable unless otherwise shown. In order for the Vendor to be relieved of the legal obligation of collecting tax from the purchaser, it is necessary that the purchaser supply prescribed, or approved evidence to the vendor in writing indicating that his purchases are within one of the exemptions provided under such laws.

Listed below, is an exemption certificate which we ask you to sign, complete, and return to us.

Your prompt attention will be greatly appreciated.

-----  
The undersigned assumes liability for payment directly to the State of any Sales or Use Tax if he uses or consumes the property purchased in such a way as to render the sales subject to law.
